MEMORANDUM FOR THE RECORD

25X1A

1. As a follow up to a prior visit with George Miller, representatives of [redacted] came by to discuss how their firm might interface more effectively with the Agency. They are establishing a branch in Rockville, Maryland; do a substantial amount of work for NSA and the Navy both in electronics equipment and computer software; and are obviously making a considerable effort to develop more work in the Intelligence Community.

25X1A

2. I broadly described the Agency's technical activities and suggested they might want to contact ORD and OCS regarding specific needs which might match with their capabilities.
